## PACIFIC EXPLORATION VENTURES

Pacific Exploration Ventures is offering for sale its proprietary North American oil and gas prospect inventory. PEV acquired these prospect files from E&P companies as they exited onshore exploration in the 1990's. PEV will convey to buyer:

- Ownership of the entire prospect inventory: Thousands of historical prospect files, regional maps and reports.
- One user license to PacSeis' proprietary onshore US seismic database, consisting of over 500,000 miles of 2D and 3,000 square miles of 3D.
